Advocates For Immigrants in Detention Northwest

2025 Impact Report

Dear Friends,

As I reflect upon the past year, I am inspired by the collective response of our donors and volunteers who stood resolutely beside our immigrant community. Your compassion, advocacy, and unflagging support is real and deeply felt by every individual we served. I am proud to present our very first Impact Report, highlighting your impact and the progress toward a stronger organization.

In 2025, the number of those detained locally grew significantly, and you stepped up in equal measure. Your generosity allowed us to offer more than 2,000 immigrants the funds to contact family and legal assistance. Through our Community Meetings and public speaking engagements, light was shed on the needs of those navigating an increasingly hostile immigration system. And more than 7,000 individual services were provided by our incredible volunteers, who were given new voice through the formation of a Volunteer Advisory Group and several Volunteer Forums.

Last year was one of tremendous internal transition. We focused on directing more money to programs and services, growing a Board of Directors with diverse and qualified experience, generating new sources of revenue, and spending with discipline. From this foundation, we are committed to building an organization that is resilient, responsive, increasingly visible, and capable of reaching even more immigrants.

The challenges of tomorrow will undoubtedly be different than those of today. But as long as the detention center is here, so will we. And we know that we can continue to depend on you to help us create a welcoming community that affirms the dignity of every immigrant.

With heartfelt gratitude,

Ben Jones
Board Chairperson
